RE: Streetlight Retrofit Installation Bid

On Thursday, October 15th, the City opened bids for the installation of the streetlights with retrofit LED lighting within the Streetscape Project. The work also includes installation of 8 new streetlight poles and installation of the necessary wiring.

Two bids were received:

Rauhorn Electric, Macomb Mi	\$67,806.00
Chapple Electric, Fenton Mi	\$68,906.67

I would recommend that City Council award the bid to the low bidder, Rauhorn Electric, for \$67,806.00.
